

Segura Viudas

VAZA Crianza - 2004

TASTING NOTES

Based entirely on Tempranillo, the Crianza bottling is a wine that displays vivid fruit alongside complex aromas and flavors derived from oak aging. Rose petal, leather, tobacco and dried herbs are enveloped in black plum and black raspberry fruit characteristics. Aged 14 months in American and French oak barrels.

WINEMAKING

At once fruit-driven and approachable, the wines of Vaza convey a deep sense of their origin. Meticulous attention to detail in the vineyards has resulted in smaller yields and ideal flavor potential of the grapes. With a close eye on harvest, the grapes attain true physical maturity and the resultant wines have bright and complex spice and earth elements typical of Rioja. Modern winemaking techniques, such as hand sorting of grapes, temperature controlled fermentations and the use of small American and French oak barrels, preserve intrinsic terroir, bringing the wine's true essence to the forefront.

Blend

100% Tempranillo

Analysis

Alcohol: 13.5%

Aging: 14 months American and French Oak barrels
